The Carol Wardell Case

Educational Use

Radio Drama

CHIEF OFFICER

I expect all of you to abide by the code of conduct. These include.....You must pay attention at all times, stay focused and alert. Once you find the evidence secure it! Whatever you do don't tamper with any of it.

(one rookie begins to gasp in shock)

CHIEF OFFICER

Rookie 6 seeing as you find the rules of conduct so funny would you mind telling all the others them, in full order?

ROOKIE 6

Sorry chief I wasn't listening, one of my friends just sent me this. It's an article explaining how killer clowns are on the loose in Coventry. Maybe its true maybe we are all going to die due to a clown raid?

CHIEF OFFICER

I'd like to say I'm disappointed that you didn't listen but you never do. As far as you taking interest in clowns I would say your in the wrong profession and you might as well have joined a circus. I haven't got time to stand around and acknowledge someone who....

ROOKIE 6

Wait Sir it says we've had a case which involved 'clowns' as the main suspects? The Carol W.. case

CHIEF OFFICER

Let me see that! Looks like Rookie 6 has been looking at something worthwhile for a change.

ROOKIE 6

Chief it says you were the main officer in charge of the case, is this really true? Did he really do it? But why would he...How.....
